BOQ - We deserve fair pay and support to maintain the highest quality service to our customers

We, the undersigned, call on BOQ to:

- ✗ Provide a pay offer of at minimum 3% fixed remuneration increase annually;
- ✗ Maintain the current bonus pool of a minimum .75% of the wage pool of employees in the new Agreement;
- ✗ Provide employees with consultation around proposed performance objectives, a rigorous review and adjustment process supporting greater certainty;
- ✗ Commit to appropriate staffing levels, including strategies to deal with planned and unplanned absences and resultant workload issues.

We work hard to make sure BOQ customers get the highest quality service and the BOQ brand remains strong. We are central to the success of BOQ.

We deserve a pay model that reflects our commitment, a say in the matters impacting our employment and real strategies to address matters that limit our ability to provide excellent service to our customers.
